GEORGE DAVIES CENTRE,  
LANCASTER ROAD, LE1 7HA

# BRAIN, BEHAVIOUR AND BEYOND

L

In association with Brain Awareness Week

This free event is open to anyone who wants to know more about how the brain works and ongoing research into neuroscience, biology, genetics, health sciences, medicine and psychology.

Along with talks there will be live demonstrations on many aspects of neuroscience research, including vision, taste, attention and movement, and the opportunity to meet junior and senior researchers. Doors open at 5.30pm, first talk is at 6pm. Refreshments will be available. Please note there will be photography. Please register to attend.

TALKS:

Professor Elizabeta Mukaetova-Ladinska - Food For The Brain To Prevent Dementia

Dr Mervyn Thomas - Wobbly Eyes - Past, Present and Future
